

Gilligan's Island event for Hospice of the Chesapeake

Nearly 200 Italian car owners and admirers gathered recently for the Gilligan's Island Ferrari event, held June 5 in Pasadena. The event was hosted for the second year by longtime Hospice of the Chesapeake supporters, Dennis and Peg Gilligan, and raised close to \$30,000 to support programs and services provided by the nonprofit.

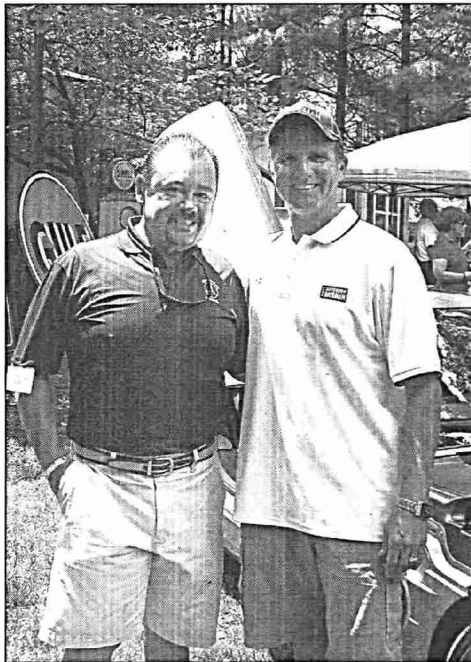

In addition to viewing over 40 amazing Ferraris, Maseratis and Lamborghinis, attendees were treated to live music by Karen Collins and the Backroads Band, delicious food by The Main Ingredient and ice cold beverages provided by Mills Fine Wine & Spirits.
